TRAINING / SHOW CART

The most **Versatile Cart** on the market – **Well Built – Well Finished.**

Choice of many driver trainers for daily use.

Light and easy to pull in the show ring to bring out the best movement of your horse.

Use Dash for dress up.

Good to and incl. Prelim. level of **CDE** competition.

Install Rear Step for Groom.

STANDARD FEATURES for all cart sizes.

- Black nylon under seat storage bag
- Single Tree will take slotted Trace ends and Eyes for Quick release shackle
- Very wide seat – 40” between arm rests
- Serial number plate for identification
- All metal construction – Total Weight 220lbs. Powder coated Black

Adjustments possible:

- Cart body in height: 8” or 2 Hands
- Shafts for length: 14”
- Distance between shafts: To accommodate any size Horse or Pony
- Driver’s seat: Forward to back 8” travel
- Balance: To zero weight on Shafts at Tugs with Crank Mechanism

SAFETY FEATURES

- “Nerfbars” in front of wheels
- Large and easy in and out with rounded tubes
- Wide “Topframe” at base of shafts (see Width at Single Tree)
- No impediments for horses hind legs, (lots of room for movement, desired or otherwise)
- Padded skirt up front prevents noise from rocks (not on Pony size cart)

You will enjoy a very quiet ride!
